“ My life and heart will never be the same...you are my boo boo kitty..you brought me such great joy and pride...you were suppose to take care of me in my old age...that was the deal...I don't know how to be alive knowing you've gone to live with christ..I pray it's as beautiful as we could only imagine..no longer will u ever have to take meds again. Praise God for that..someday you will meet me at heavens doors and then we will be together forever..just hugging and holding one another... I love you with every ounce of my being...and will never stop!!

“ I met Michelle through her Mom, who I worked with and was very close too. We clicked instantly and always had a blast and laughed a lot. I was in Michelle and Don's wedding in TN. I will never forget her. She was an old soul in an absolute good way. R.I.P.
