“ *My grandma was the greatest. She would always spoil me and I never had to worry about anything she was always there for me even when I was wrong. She was there 100% when the love of my life killed himself and supported me all the way and I know if she was here now I wouldn't be a bit on the down side cuz it never failed she had my back*

“ We are so very sad to hear about 'Genell'. Our family first met her and the children when she lived on Wagner Circle in Walhalla, several years ago. Her and her family lived across from Harry and Maude Neal. May the family find comfort from God during this difficult time. We will miss her. Our prayers to each and everyone of the Barnes family.
Love,
