“ I always called you Linda Faye. I remember the time our moms would ride to work together. You and I would talk on the phone lots. I am so sorry about your loss. I know you are missing her. Mama passed in 2007 and daddy passed away in 2009. Miss them so much! It has been a long time, but I still remember our fun times together.

Cissy, What a nice, pleasant memory. Keep in touch.....we did have a fun childhood didn't we? Sometime recently, I was talking about Newry and what fun we had. I shared how I learned to ride a bicycle on Branch Street, I have the picture to prove it. Betty Sue, Sonny, you, holding the bike while I learned.... \*smile\* Mother is walking on streets of gold.....God bless her!

“ Dearest Wayne, Joanne & Faye: we send our deepest sympathy and our love to each of you and to the extended family members. As I sat thinking about Sister Irene her lovely face came to mind. She was always at church, every function, ready to be of help with a big smile on that face. I remember when United was under construction that our church men would go over & work on Saturdays. The ladies of the church would serve then, usually deviled egg sandwiches, etc., but not Sister Irene. She would prepare a huge pot of homemade veggie soup or bring her grill over & she would cook hamburgers & have all the trimmings for the men. I don't guess there was one adult who was at the church that had not sat under her teaching at one time or another. She will be missed by all. Gail & Edd Stovall.
