“ Just a few lines to let you know that is was a honor and pleasure to be able to take care of your mother. What little time that I got to take care of her, I knew that she stoled my heart right away. Just the twinkle in her eyes told me her whole life story. I want you to know that my prayers, my love and my thoughts are with each of you. Always remember that she is walking, talking and laughing now with Jesus and Her Father in Heaven GOD. If there is anything that I can do please let me know.

Love,
