“ *Wanda and I enjoyed our visits with Aunt Mildred so much. She could always make us smile and we loved listening to stories of her life and family. Aunt Mildred always had a wonderful attitude and never failed to make us laugh. She was truly a blessing to us and we will treasure forever the time that we spent with her and with Uncle Nolan. Tommy and family, we are so sorry for your loss.*

“ *Mildred was a very special lady and a very special friend of mine. We moved to Florida in 2011 and I have missed her so much. Three times I got to go back and visit with her, shared phone calls and sent cards. I loved her so very much and I know she will be missed by her family, church family and friends. Rest in peace my friend, some day we will meet again in heaven. So glad you touched my life.* ”

“ *I am so sorry for your loss. Mildred was one of the most beautiful individuals I have known. She was so talented in many areas, especially skilled in needle work. She was eager to share her talents with any who asked (I was one who learned many things from her). Her friendship through many years, her integrity and her love of God were a blessing to all who knew her.*
