

Mrs. Mildred Francis McManus Ranney

December 4, 1932 - September 10, 2016

Mildred Francis McManus Ranney, 83, died peacefully on September 10, 2016, at her home on, 237 Burnt Tanyard Road, West Union, SC, which she shared with her beloved husband Everett L. Ranney.

Mildred's journey began when she was born on December 4, 1932, to George and Mildred McManus and older brother George L. McManus. Mildred went to Catholic school throughout her elementary, middle, and high school years and had a zen for life.

Mildred met her true love Everett L. Ranney in Boston, which began a life-long love affair just shy of 62 years. Mildred was kind, caring, generous, supportive, honest, and compassionate. She was liked and adored by everyone she met. Mildred loved laughing, shorts, flip flops, California sun, the beach, traveling, flowers, going out to eat, See's candy, Great Danes, and so much more. Mildred had a wicked sense of humor that could match no other. Mildred's journey has ended on earth but her loving spirit will be watching over her beloved husband Everett L. Ranney, adoring brother and sister-in-law, George L McManus and Geraldine McManus, and her three daughters, and their husbands. Debby and Ed Davis, Judy and Don Gibson, Mary-Ann and Phil Gawthrop, and all her four grandchildren, five great-grandchildren, and her loving nieces and nephew.

“ no matter what happened in my life, you and grandpa were always there. as I grew up I became more distant because I was getting older and eventually had a family of my own. Even though I knew that once grandpa was diagnosed I probably would not see you both again, I wish I would have called and kept in touch. Even after experiencing death first hand and knowing after that how important it is to live your life like its your last, I still did not call. I was waiting for you to get on facebook, but not like this. You were a beautiful person and you always made the best food!! best ham sandwiches! I will never forget experiencing my revelation with you on the phone, probably the last time i ever talked to you (7 years ago or something). I am sorry I was such a terd when I was in california, believe me I am getting it 10-fold (i dont know what that means buty i am getting it twice as bad). I am sad that i didnt do what i should of but i know its all ok. I love you and I will never forget you as long as I live.
love your granddaughter, Dawn. :)

“ Mary-Ann, (and family)

*What a beautiful tribute. The true essence of your Mom came out in
your words. You can see her spirit in this fun bicycle pic. And what
an Bostonian accent, smile and laugh!*

*When a loved one becomes a memory, that memory becomes a
treasure.*

Forever in your hearts!

My condolences!

Love,

Care

*ps...next time I wear my flip flops and take a walk on a California
beach I will take a moment to say "thinking of you Millie"!*

“Mildred will be missed by so many ! She showed so much strength in the last months of her life fighting to regain her health. She showed so much compassion in the caregiving of Everett too. She showed her humor and laughter with her family. Wishing the Ranney family peace and comfort and to treasure all those wonderful memories of Mildred!
