“ *We are thinking about you guys in this difficult time of your life. I know how it feels to loose a parent and the pain gets easier as days pass by. Memories help you make it through this difficulty and Don and I have fond memories of Miles from the picnics and seeing him around town. He always had a smile on his face. He really was a friend to Don at work and Don will always treasure those memories as well. If you guys ever need anything, please don't hesitate to call. We will always be there for you.###imported-begin##Don and Amy Watkins###imported-end##*

“ We all lost a great friend today.  
I worked with Miles at US Engine Valve the whole time he was there.  
I will miss his smiling face and friendship. We picked on each other all the time. The one thing we will all miss at USEV is hearing him scream out "BINGO" at the Company picnic. We will remember you and the family in our prayers. If you need anything, don't hesitate to call.##imported-begin##Lane Brewer##imported-end##
