“ Mr. Blackwell was such a good man. He helped the kid's at Wagener Circle with bikes made balloons and just put smiles on these kids faces. “ Our heartfelt condolences are extended to Morris' children that we know and appreciate as neighbors and friends. Morris was so proud of you. My wife and I thought a lot of how Mr. Blackwell was so generous with his time, to show us all about his property of which we bought a portion. He knew the plants, the soil, the buildings and more. He was mindful of the wind, the rain and drainage, and how to put it all together in the building of a home. He was generous with us and I'm glad I told him so multiple times.
