“ *I met Tony a few years ago through a mutual acquaintance. He hired me to clean house and do basic errands for him. Out of this working relationship, grew a wonderful friendship. Tony's kindness was genuine. No false pretenses about him . His delight in telling stories of his life was visible in his eyes . From stories of going to school across the street from his home, to fishing in local lakes with friends,or from working in the mill or to him eventually teaching in the same schoolhouse he had once been a student in. He was passionate in telling them and that made them wonderful to hear.*

He was a kind soul and a wonderful friend. I will miss our weekly trips out to do whatever errands he wanted to do, and the little road trips we would take around town because he simply wanted to get out. He will be greatly missed.

My heart goes out to Terry and Sheila and all of his friends.

My heart is broken for the loss of this friend.

God Bless

So sorry for your loss, Terry. I was privileged to talk with Toney a couple of weeks ago. He was sitting out in his chair. Toney was a very sweet man. I first become acquainted with him through my uncle Carl Nicholson. They were the best of friends. God Bless you all.
