“ Louise, I am sorry to hear that Morris passed away. I will always treasure the wooden plate and the fireplace mantle you and Morris gave to me. Someone visiting at my house last week commented on the mantle, and I told them who gave it to me. My love and sympathy go to you and your family.

*We always enjoyed being around Mr. Morris. He and Clarence talked wood and making bowls while I just listened, amazed at the amount of knowledge both had on the subject and the exchange of their ideas.. Besides being talented Mr. Morris was about the sweetest, most gentle gentleman I have ever known. We were blessed to be in his presence. Our love and sympathy to Louise and the rest of his family during this time of being separated from him. We will all see him again one day.
