“ *Miss Pauline was one of my favorites when I worked with her at Lakeview Assisted Living. She was always ready to give a hug and told us that she loved us every single day. I truly grew to love her. I am saddened by her loss, but I pray that she now is flying with the angels in Heaven and that she is showering loved ones with thousands of hugs. She was always so happy, so positive and she tried so hard all of the time. She didn't want to give up. She was truly an inspiration and I hope that when I am in my advanced years a little bit of Pauline will remain in me as I share all the love inside of me like she did. My thoughts and prayers go out to her family.*
