“ Miss Carolyn has been in our lives ever since she first met our son, Michael Stovall back in 1990. He was in his wheelchair & they immediately became friends. After Michael's surgery in July 1991, at Duke Medical Center & we lost him, well, it seemed that Carolyn was closer to us than ever before. Any time she saw us out to eat or at Walmart, or when we had to go to Keowee Keys she immediately would make her way to us, put her head on our chest, then gives us the best hugs you would ever want to receive. I know she is in Heaven with all those who went on before her. She has got to see her beloved Jesus first & she has had the best time with Michael laughing, talking about who she last saw on earth. My hubby saw her at the recycle center not too long ago. She hugged him as always. Oconee County lost a sweet lady on the 20th of this month but Heaven gained a strong warrior. May the Lord bless & keep her family. For all those who lost her please know you will see her again as long as you ask Jesus into your hearts, to forgive you of your sins, then you will see her & Jesus.
