“ Dear Family,  
Nancy was a very Special person that a Most Loving, Kind and Caring Spirit . I became close to Nancy during the time Rodney was so sick. She and I had never met until I went to visit Rod at their home. She welcomed me with open arms and we became automatic family!!  
Nancy always loved with her whole heart and shared her love with those she truly cared about!  
I was Lucky enough to be one of those people.  
We grew closer as the years have progressed but just recently lost touch.  
I'm so sorry to say that ; but I'm thankful for the opportunity that I had to Love and share the time we had together! I will Never Forget her and All of our Happy Moments and Memories we shared!  
I will be Praying for Alton, All of her children, family, and her Many Many friends for strength, comfort and peace in the hard times ahead.  
With much love and sincere love,
