“ *Dear Nancy, Tom and family, I am so sorry to hear about "Granny". I wished I had known. Just so happens I was looking on the internet and saw her obituarie. I want you to know that I enjoyed taking care of granny and I enjoyed getting to know all of you and your family. I know this will be hard on you {Nancy and Tom} but she will always live inside of us no matter where we are. I will always remember when she told me that she was 99 and she would not take orders from a 50 year old woman. If there is any thing I can do, please let me know. My prayers, thoughts and love are with you.
