“ *I had talked to Nell several times over these last months when she would call to ask about Nana. If fact, Nana and I slipped away from Clarence when Nell asked us if we wanted some fresh vegetables. He said Nana couldn't go because she was too sick but we just waited about 15 minutes, and as soon as he was asleep we went to Nell's. She and Nana had a time of talking and laughing but we had to hurry home before we were caught. Then she called on the morning Nana died to ask how she was doing. I know I shocked her with the answer. Then 10 days later I find she has gone to Heaven, too. Perhaps they are still talking and laughing. We'll miss her, too.
