“ I've known Norma for many years. I worked with her at Schlumberger for many years and also we were members of the same church. I found her to be an interesting smart person, always ready to help in any way she could. She was always friendly and a down to earth person. I prayed for her every day while she was in the hospital. I suppose God wanted another good one in heaven, so even tho she will be missed down here, I know she now is talking and laughing and enjoying that new body. Love you all.
