“ *Chevis and Jane - I am so sorry to hear that Opal has passed away. Since we have moved to Alabama, we have lost touch with many members of our family. I regret that we were not aware of her decline in health. I have happy memories of visiting Opal's parents when I was a child. Aunt Lula and Uncle Jim always had food on the table and welcomed us with hugs and laughter every time we went to see them. In later years, Mama always wanted to be sure that we stopped by Opal and George's whenever we were in Seneca. Mama seemed to have a special appreciation of Opal for being so accepting of us and making us feel so welcome. I, also, remember the food and good time's at George's Christmas get togethers. I regret that it has been so many years since we have seen you. Mike was at Clemson the last time we saw each other - I think it was downtown in Greenville one Sunday afternoon. I send to you my sorrow that Opal has left us but my joy in knowing she has reunited with so many of our relatives and friends. I wish you healing and hope that I see you again. - Angela Shirley Peace*

“ So sorry to learn of Opal's passing. She was a good friend and relative of my sister, Judith L. Hopkins, sharing a love of their little white poodles and working for the School District of Oconee County in the dietary division. Judy loved Opal and now they are reunited in Heaven. Our sympathy is sent to her entire family.
