Dear Matt and Beth, I cannot thank you enough for your friendship and kindness towards our family. You will always be a special member of Mom's "inner circle". She spoke very highly of you, and the kids. Nearly every time I spoke to her on the phone, she included some anecdote or adventure of the Boomhower's. I know she missed you when you guys moved. It was always a great comfort to me to know that Mom had such great friends in you, to look out for her and who loved her so much. And of course having a sparring partner in Matt...LOL. I really enjoyed the "Pam" stories during my recent visit. I'm sure there are a lot more. I look forward to keeping her memory alive through them, and our continued friendship. She certainly was a unique individual, and I will miss her greatly. I will never forget the way she responded to Matt, that night you came to see her after visiting hours, when she insisted they let him in. Matt entered the room, and when she saw him her face, eyes lit up and she had the biggest smile on. She was SO happy to see you Too much to say. Keep in touch. David.

Hi Zandra, I know Mom was very grateful for and very much enjoyed your friendship. It was always a great comfort to me knowing she had such a wonderful group of neighbors and friends especially after Dad died.

Dear Zandra,

Bless your heart. Thank you for being such a good friend, I know she loved you very much and spoke very highly of you. She especially enjoyed helping you train and walk Levi, that was one of her gifts...the dog training. I learned an awful lot from her. She really was a remarkable woman, with a very unique style and way about her, very generous with a helping hand, very proper, and very classy. It was always a tremendous comfort to me knowing that Mom had such a wonderful group of friends and neighbors, especially after Dad died. Thank you to both you and Ed for staying with me a few days, and your fellowship after she died. Love and friendship, David

“ David and Peter, I have been so Blessed to have known Ms. Pam. She became a big part of my life and my heart is saddened and my life has been changed by her passing. Words cannot express what she meant to me. I will hold onto my memories that we made together and Fatz will never be the same. I loved to hear her talk about her life in India, how she met your Dad, how she loved horses and how proud she was of both of you. I always told her she reminded me of the lady on the movie Titanic, she surely lived life to the fullest and was very intelligent. She tried to teach me the proper way to talk but I think I finally wore her down to speaking my country talk. I will always remember her and her beautiful smile. I love her and I love you both. I am praying for you both, May God bring comfort to your hearts. You had an awesome Mom and I had a special friend!

Dear Phyllis, I'd never met an angel before...until I met you. You were so helpful, kind and loving to Mom aka Ms. Pam. We will be eternally grateful to you for all you did with/ for her...especially in the final months and days of her life. There will be many rewards, and treasures in heaven waiting for you. Your selfless kindness is a rare quality in this world, and a true example of what our Lord and Savior Jesus Christ asked us to do.... "love one another, as you would love yourself". Mom sure was a remarkable woman, what a great analogy you made to the Unsinkable Molly Brown. Mom was very much her own woman, and of her own mind. She was a constant inspiration and support to me and those around her. Too much to say!
