“ *A smile that lit up the room. A contagious laugh that I can still hear. My lifelong friend. We may have lived on opposite sides of the Country, but you made sure to take the time to "mother" my daughter when she was very ill in the hospital there when I couldn't be there with her, and I love you more than words can express. RIP my sweet, crazy friend. I expect you to be waiting for me with that smile when I join you in Heaven.*
