“ *Donnie, Martha and rest of family, I can't imagine the pain you all must be experiencing as I write this. I knew Pam since she was a little blonde headed girl with the sweetest smile so many years ago at Belmont Bapt. Church. I saw her about a year ago and she was still sweet and beautiful. It's times like this, when nothing makes sense, that life seems so hard. The days ahead will be most difficult and you all will be in our prayers.
Lean back in the arms of Jesus. Let him hold you till you have the ability to stand again.
Pam is already in His arms and free of pain and worry forever.
For all of you left here, healing will take time. Jesus is closer than your next breath. He will carry you through.
