“ Until September 18 at 4:40pm, I had not known a time on this earth without Pat, my sister. As long as I can remember she has been praying for me, advising me and guiding me as an older sister will do. I always knew she loved me and that love extended to my family. In her final days when I could barely hear her voice, she whispered, "Trust in Jesus". I heard you Pat, and I will.
