“ I had the privilege of cleaning Diane’s home and helping with her appointments, but our relationship became so much more than that. We became close friends. We talked about everything, and I will always cherish those conversations.

She carried a lot of pain, and I pray she is finally at peace. I never imagined losing her this soon, and I wish I could have said goodbye. She will always hold a special place in my heart and will be deeply missed.

I had not seen her in years but [knew that our friendship would be the same. We had quite a few adventures back in the day. She was always the same sweet girl . I am sorry that I never reconnected with her.

“ *My heart breaks at this news. We had so many memories together. Diane loved her Daddy so much. I believe they are together again. Healed and whole. God bless all the family. I had reached out to her some time back about coming to visit. I never heard back. I wish I had known 😞*
