“ I worked and cried and shared many a laugh with my good friend gail as we both were sharing the same ugly cause in life. We both always looked at the bright side of the ugly as such like we had both hoped for more hair to grow back with out the gray.....a day with out pain (she said she would always win) just like her....we shared days at WPS that we both thought would never end, but we both knew we would always be friends to the end..... go my beautiful friend, take those wings of yours and fly with the wind and I always know I WILL SEE YOU AGAIN!!!! love to you my FRIEND, Sue##imported-begin##sue gutman##imported-end##
