“ My dear sweet Aunt Pat. You were more than an aunt to me, you were a very dear friend. I can remember the long phone calls that you and I shared together. Talking about things that was always kept between just the two of us. You stepped up for me when we lost mama in a way that I will always hold dear to my heart. But the most precious talk that you and I had almost 36 years ago right after you lost Uncle Nathan was when Dean had asked me to marry him. I was scared and didn't know what answer to give him. You asked me , "Do you love this man?" I said , "Yes aunt Pat, very much." Your advice was if you love him , marry him now because we are not promised tomorrow. I did marry him a few short months later. I remember coming to visit you during your last days with us and you still remembered what you had told me all those years ago. I will miss those hour long talks that we would have, your beautiful smile, and that laugh that was always warming to our hearts. You will always hold a special place in my heart. What an awesome aunt and friend you were to me for my entire life. Your boys, Rickey, Timmy and Chris did an awesome job taking care of you. They too are very special to me. I will try my best to be there for them as you always were for me. To you three boys, I am very sorry for the loss of your precious mama. I am very proud of all of you for doing the right thing and taking care of her at home like she wanted. I love you all like a brother and I am here for each of you if you ever need anything. Love In Christ, Donna <3

“ *My Dear Aunt Pat was one of a kind. God broke the mold when he made her. She had a heart of Gold and loved her family. She was loved and will be greatly missed. Rick, Tim, Chris my love and prayers will be with you today and in the days to come. Lean on each other and lean on God for comfort during this tremendous loss of your beautiful mother. It goes without saying your mother cherished all three of you as you guys did her. I am so proud of the three of you for taking such good care of Aunt Pat. When any of you entered the room she would light up and a huge smile would appear regardless of how ill she was. We all will miss her dearly.*
