“ *Charles, Chuck and Kim, though it's been 35 years since we were neighbors, I remember those days in the 70's fondly. I know Pat had been in poor health for a good long time, and I want you to know I feel for you. Mary Frances went to be with her Lord 2 1/2 years ago, and how I miss her. I'm glad I've had the opportunity to talk with you, Charlie, and with Kim and Jeff at Carl Sullivan's memorial a short time ago. May God give you comfort in this time.*

“ Sweet memories come to me, when thinking of Pat. We first met while growing' our Children and she loved her Family - always so proud of each of you. Then the love Pat had for all Gods' creatures and her knowledge of training Pets, was amazing. Her love was a joy and now we can all honor Pat by continuing that Love For One Another. Our Thoughts and Prayers will be with you, today and the coming days.

No way to express in words the bond our wild and wonderful AC Flingers shared. If the friendship from '55 to '95 was golden, the years since then have been platinum with a few diamonds thrown in for good measure. Pat is so precious to each one of us (note IS, not was) and memories of the times we shared will always be among our most treasured. Charlie, you're one husband in ten million - 600 miles without even the offer of a cup of coffee - so many stories, so little time.
RIP Friend
