“ *Please accept my condolences at the loss of Patty. I enjoyed her company the few times that I got to spend time with her, when she was visiting her sister and my dear friend Carolyn. I remember when Carolyn and I went to Muncie to visit her at the birth of her first baby. That was just a few years ago. Patty was a very nice lady, and I want to express my sympathy for your great loss.##imported-begin##Alice Hallett##imported-end##*

“ We met Pat at the Waffle House. First, she was our waitress -- but then she became our friend! She was such a dear, sweet lady and we will miss her greatly.

Carolyn, we hope to see you while you are here. We know that you will miss your sister so much. Roy, we met you once when we visited your mom in the hospital a month or so ago. We know that your loss is great and that you and your sisters will miss her so much. We'll be thinking of all of you during the days ahead!
