“ *Our hearts go out to all of you. It wasn't so long ago that we were all dancing to the tune of "The Good Times". And what good times we had, especially at the Moose. We still have a footstool that Paul made and it has always been in our motorhome. He also made us a rack which holds our newspapers. Have used it for years in the house and have always thought of him. Our thoughts and prayers are with you. They were a special couple.##imported-begin##Phyllis and Gordon Shute##imported-end##*

“ *Dave, I am very sorry for your loss. It seems like just yesterday that I was talking to your dad about fixing a compartment door on the motorhome. I am sure they have found a lot of new places to travel to.. God Bless...##imported-begin##Will Borden##imported-end##*

“ I can see your Daddy railing all the way up to Heaven, questioning God...and now He is tenderly whispering in Daddy's ears all the answers, and giving him Peace. He was a husband, that protector and provider until he found his Protector and Provider. Hallelujah! I love you so much.

“ Sharon and family, our hearts go out to you and your family in the death of both parents so soon. I know Paul and Norma are reunited in Heaven but I also know that you and your family are now dealing with the grieving process. It was a pleasure to take care of both your parents and I will never forget the sweet picture they made lying next to each other. May the Lord give you all that peace that passeth understanding. Many hugs to you all. Jan (Hospice House)###imported-begin##Jan###imported-end##
