“ There are no words that express the sorrow that is felt when a loved one has been called home. You all have my heartfelt sympathy in your loss. There are many cliches that are said at times like these but none of them dull the pain. Paul was a good man who did his best and he will be missed by all that loved him and knew him for the man he was. Take solace in knowing that God has a place prepared for him and his pain is no more. My prayers and love are with you all.
