“ Dear Jerry, Diane, Crystal I'm sorry to hear about Ms. Pauline. Words are hard for me to say because I know the pain and the emptiness that you feel right now. I know that Ms. Pauline was loved loved everybody. I remember taking care of her at Lila Doyle and how she would always have a smile on her face when I would enter into the room. I remember when we would talk about going home to be with Jesus and how we would try to imagine what heaven looked like. Then we would smile and know that the imagination could not even comprehend the beauty of heaven. Jerry, I know that losing a father or mother is not easy, since I just lost my father. Crystal, I also know what it's like to lose a grandmother. So, I'm not going to say that everthing will be okay, even though we know that Ms. Pauline is walking the streets of gold with my Papa and all of our loved ones that have gone before them. Please forgive me for not coming to the viewing or the funeral, it is still hard for me to return to some places where my papa has been. I loved Ms. Pauline very much. Please accept my prayers and if there is anything that I can do or help you with please let me know. May God Bless and hold you close to him while you are going through this time of sorrow and grief. Love, Marilyn
