“ Jim, you and the family are in my prayers. Gerald and Peggy were class mates at Rock Springs in Denver NC and reconnected after learning of each other's cancer diagnosis. Gerald looked forward to those phone calls to encourage and comfort each other. They prayed for each other; and with the prayers of all the people; Gerald and Peggy were able to live with cancer with dignity and the peace that comes from Christ our Lord. Gerald lost the battle with cancer, but won the victory on August 26. Then Peggy followed 2 days later. And now the prayers of the people will strengthen and comfort you and I, until you and I join them.

Philippians 4:13

I can do all things through Christ which strengtheneth me.

In Jesus's name I pray

“ I attended Rock Springs High School with Peggy. She was a beloved student - always friendly and happy. The school was small and more like a family than just a school. We had two other classmates pass this week. A sad week in Denver but what a great week in Heaven!

“Peggy was a wonderful person with a great personality. She had a terrific sense of humor and was fun to be around!

Both David & I have wonderful memories of our ski trips to Copper Mt with Jim & Peggy & Jim's sisters.

We were very lucky to have her as a friend & know her well.

We did not stay in touch in the last few years. For that we are sorry, because we did not know she was ill.

Jim, we will reach out to you! Want to reconnect!

So very sorry about Peggy's passing! She will be greatly missed!

*Very fondly,

“Peggy was the very embodiment of goodness and kindness. Such sweetness and caring in a friend is not often found so we shall cherish our memories of her always. She fought the good fight with faith and grace so while we mourn the loss of her, all of Heaven is rejoicing at her arrival home.

“ I knew Peggy all my life. We lived just a few houses apart. She was my best friend for a long time. Even though I didn't get to ever see her anymore, I would often think of her. I loved her and her family. Prayers for her family.
