“ *To the Family,  
Peggy was a special lady. She was a smart, strong, caring and resilient woman. She and I became "family" when in 1963 I married her husband's brother. Over the years , Peggy became my friend and my inspiration. Faced with extraordinary loss and challenge during her lifetime, she endured and thrived with faith and optimism, serving as an example for us all.  
Personally, Peggy was always so very kind and thoughtful to me, especially after the death of my husband, even including me in holiday and family events. Related not by blood but through marriage, we were sisters-in-law. Through the years, especially the last twenty, our relationship deepened. As an only child, I found in Peggy the sister I never had.  
I wish I could be there with you all to celebrate the well lived life of Peggy Marlene Guest Fleming and to say, not goodbye, but - until we meet again. Peggy touched many lives, and she was certainly a blessing in mine. I will miss her as I know all of you and so many others will also.  
With love,  
Gerald's Libby*

“ Mrs. Fleming and I worked together at Oconee Family Court for a decade or more.

*She was a wonderful person to work with. She was a caring and thoughtful person. Occasionally staff meetings would be held in a rustic setting. Peggy made great fried chicken and rolls for those meetings. She, Bobby and her family are/were wonderful people. I can safely say that all of us who knew Mrs. Fleming will miss her and her smile. My sincere condolences to her family and friends.*
