“ *My Mother was a fellow quilter and friend of Penny's. She always spoke highly of Penny (both of her as a person and her quilting). When I brought my mother back to South Carolina to visit this past spring she enjoyed being with her very much. Now they are probably in heaven making creative quilts for everyone. I am so sorry for your loss.##imported-begin##Alison Hall & Mary Gustner##imported-end##*

“ Shocked to hear about Penny's leaving this earth.
It is not long ago that we e-mailed, she saying that they were not coming to Mi. in December, but next April, and that we would meet then.
We were looking forward to it.
Hope to see Jim at least.
Long ago, Jaap operated on Debbie's eye- he is an ophthalmologist.
We wish the whole family much strength.
Penny was an elegant member of the Gourmet club here, talented, beautiful and much fun.
After they moved to S.C., we kept in touch by e-mail- I will miss her letters..Jaap and Margie##imported-begin##Jaap and Margie Delevie##imported-end##
