

Mr. Phillip Barry Price

February 1, 1957 - September 29, 2024

Phillip Barry Price, 67, of West Union, SC, passed away at his home on a beautiful Sunday morning, September 29, 2024. He was a gift to us all on February 1, 1957.

A native of Oconee County, Mr. Price was the son of the late Ray C. Price and Della Fitzgerald Price. He was a graduate of Seneca High School class of 1975. Phillip was a hard worker and claimed to be an “uncollege educated engineer” because he could fix or tell you how to fix just about anything. He enjoyed fishing, music, and playing his guitar.

He had a love for his two wonderful sons: Phillip Matthew Price and Mitchell Quinn Price, that will miss him dearly. He loved and remained close to his aunt: Suzanne Price and cousin: Sherri Fitzgerald. He had two brothers: Tommy Sentell and Donnie Sentell; and a sister whom they adore: Martha. He remained close to his cousins: Randy Price, Barry Fitzgerald, and Melissa Fitzgerald Saxon.

Phillip, even in his long-term disabilities, had a positive attitude and outlook on life that we should all have because he never let get down was a model positivity. He had a laugh that was so amazing and contagious.

Phillip cared for and loved the beautiful nurses and aids that loved him (and

you know who you are). The comfort and love you gave him was something he discussed often.

Phillip left this world with no regrets because he took the time to make sure of that in the last few months of his life. He is now walking, running, dancing, and free to walk and talk with a God he loved all his life. He is free from pain and the body he was given on Earth in now celebrating, catching up with loved ones and friends in Heaven. Matt says he's dancing with his mother he adored, Della.

Service details will be announced at a later date.

Flowers are accepted.

The family will be at their respective homes.

“ He was very encouraging to me when I lost close family members. Most days, I knew he wasn't well, but he was still optimistic & shared things with a smile, or a chuckle! I'm sure he will be missed!

“ *Phil was my fiesty, spit fire patient that I cared so deeply for. I spent a lot of time off the clock as well, atleast once a day, making sure he was taken care of and had what he needed. His passing breaks my heart but I’m glad that I was there with him and that he didn’t pass alone. I’m praying for Matt and the rest of his family in this tough time, as well as all the nursing care staff.*
