“ Erik, Raiden, and Stryder, condolences to you and your family. Phoenix and Raiden were the lightning-fire duo in our physics class at Walhalla High School. Phoenix was a real life adventurer, smart, creative, quick witted, a Natural 20. The world is a better place because of Phoenix's time here. Grace and peace to you in this time of grief.

“ From the day Elizabeth brought Phoenix home to meet us, he was integrated into our family. That first day he came into the kitchen and helped me cook. He even allowed me to teach him to cook some family favorites. He typically jumped in and helped without being asked. He nurtured our daughter and together they grew and matured into the people they are today. He was such a warm and loving man that we were excited to welcome as a son. Words cannot express the way we hurt for Elizabeth, Erik, Raiden, and Stryder. The hole left in our lives is immense.

“ I'm so sorry to hear of Phoenix's passing. I'm his late mom's cousin, and although I wasn't close to him, I'd met him and his brothers a couple of times. My heartfelt sympathy goes out to Erik, Raiden and Stryder. I know that Karen, Uncle Pitou and Aunt Janice were there to greet him in heaven and that they're all watching over you all now. Sending prayers.
