“ *I just heard yesterday of your loss. I loved your loved one too. My love and prayers go out to all of you. I know she loved her family very much. I remember how she came to school to care for the grandchild I taught at one point in tme. I remember all of her children coming to the swimming pool those so many years ago. God bless you all.*

“ *I have known this beautiful woman for 12 years. I thought as much of her as I did my own mother. Lucille was there for me throughout my mother's illness that led to her death. Not knowing that less than 2 years later I would be attending her funeral as well. I have nothing but great memories of her to hold in my heart forever. My daughters and myself will never forget her.###imported-begin##Teresa Worley###imported-end##*
