“ *Rachel was such a sweet girl. I am so sorry for your loss. She had a very pretty smile and was so easy to love. You could tell that she loved her family and the Lord. She was such a pleasure to take care of. She is an angel now and looking down on us smiling because she is no longer in pain. She is sitting with Jesus.##imported-begin##Calinia Bartley##imported-end##*

“ *Charlene, David and Caleb, my prayers and thoughts are with you all through this time. I pray you take comfort in knowing Rachel is in the arms of Jesus. Rachel was so very special - never had a cross word for anyone. Rachel could sing like a bird. She was such a blessing to everyone and I know will be missed by many. May God give you all the strength and comfort and peace that passes all your understanding through this time.*

“ David and Charlene and Caleb, my heart goes out to you all. I have thought about you all day. I wish that I could be with you during this time. My heart is heavy for you. I love you all. David you and I were the close ones in the family. We have cried together, played together and done everything that a sister and brother would do growing up. It hurts me to know that we are so far apart now. I wish that my health was better so that I could make the trip up your way to be with you. You are my brother not my cousin. I love you deeply and I always will. Call me sometimes our number is changed. (803-475-1124. I sure would love to see you sometime.

**Love always Peggy JACK, PEGGY AND EDWARD YOUNG**”
