“ Grandma was one of the kindest and most generous people I have ever met. Anyone and everyone were welcome in her home without judgement, or reservation. I am truly glad to have known her. Grandma's absence from this world is a void that can never be filled by anyone else.

*Rachel's children and grandchildren should be proud to have had such a wonderful person in there life. Rachel never looked for the easy way of life but always the best way for everyone. Let's hope that her legacy will be carried on by her children and grandchildren that she loved so dearly. She will be missed greatly but remembered forever.*
