“ *I was saddened and shocked to hear of Randy's passing. I have known him my whole life as he lived down the road from us. I left Seneca many years ago and lost touch with many people that was dear to me... Randy was one of those ! He always had a smile on his face and His laugh was contagious and the Best! I am so sorry to his family and sending many prayers to all of you as the coming days will continue to be difficult. I had no idea he had been sick. I hate I had lost touch would have loved to have seen him and to have had laugh one more time. RIP Randy! You will be greatly missed!*

Randy as always was not thinking of his struggles, but with mine. Kind and caring. Godspeed. Rest easy, fly high.*
