“ *My earliest memory of Randy.
I was probably in 2nd grade.*

One spring day after school, we came into the house and dropped our books. Randy went to the kitchen cabinet while we stood waiting for him to give us a saucer (bowl). Randy handed me one and I ran to the back door and outside racing to the strawberry patch in the back yard. Upon reaching the patch of strawberries I heard a growl. I looked up realizing I was alone and seeing a large German Shepard dog. I was terrified! Suddenly, Randy came around the corner of the house, seeing the dog between him and me, taking his saucer, turning it upside down and throws it at the dog. The next thing I know, Randy is by my side letting me know I am safe and the dog will not hurt me.

Since that day, I have never been afraid when Randy is around. He was my hero and I have always looked up to him and loved him dearly.

“ *Me and Randy loved playing golf together .
We would team up in a two man's Captain
choice golf tournaments wherever we could
find them . He would always take a golf ball
and right with a black magic Marker team lusk
and then put the year on it and that was our good luck ball when we
got on the greens we would use it to putt with . I still carry two of
them in my golf bag from 2001 and 2002 . Those two golf balls will
never be taken out of my bag . Love and miss you so much already
big bro !*
