“ I know that I am late in sharing these memories of Randy but I only recently was made aware of his families' loss. I met Randy in the 7th grade. My family lived on the side of Hwy 59 in Snowcreek, about a ten minute walk and a three minute bike ride from Randy's house. I used to spend the night and me and Randy would laugh and joke around. His mama was a patient woman for sure. Randy would cook these ground beef,cheese,mustard, and ketchup sandwiches that were SO good! We would pig out and aggravate Randy's sister Kelly. It was all in good fun. Sometimes Randy would come over to my house and we would camp out in the yard and tell lies and listen to music. We would play in the woods and shoot our bb guns. We were both obsessed with sports and girls of course. Randy's dad Melvin used to take us fishing, and not having a dad myself, these outings were of great pleasure to me. When I look back down my timeline,30 years ago, I always remember the times me and Randy shared as friends. He was a great guy who I will always remember as loyal, tough, and caring. My deepest condolences go out to his loving family who always made me feel welcome and accepted.

*Dearest Becky and children, I am very empathetic in the news of your recent loss. I am praying for your comfort. I wish I could take some of the pain for you. I also am grieving the passing of my wife Cindy. She passed away October 6, after six years of battling squamous cell carcinoma. She is my Hero. I pray God will comfort you and the children. “ Dear Randy,

*Me and the kids miss you so much. We're surrounded by memories- good memories- but knowing that you are not physically here really hurts. I never thought this would happen to us. At least not until we were older. I miss everything about you.*

*Averi is really taking this hard but you knew that would happen. That is why you worried about her so much. But she is strong just like you and she and Kevin have much love and positive support around them. Kevin thinks he can go up to Heaven and play with you and come back home to us but he is only four.*

*You are a man among men, Randy, and no one can even measure up to how beautiful of a person you are. I cannot wait to see you one day and finally feel your arms around me but until then I'll honor you and cherish you always. I just love you so much and always will.##imported-begin##Becky##imported-end##*

“ I am their next door neighbor. The first thing I "saw" in Randy was how much time he'd spend in the yard playing with the kids. They are defiantly raising a "girly girl" and a "real boy"...lol One day in Heaven, we'll find out why God calls our family/friends "Home" early...I'll miss him.

*My God help soften this occasion for Beck/Averi and Kevin along with his family members and friends that will miss him greatly.*

*Love, Sharon!##imported-begin##Sharon Lucas##imported-end##*

“ Your loved one has left behind a thousand moments that will live in your heart forever... Please know, at this difficult time, that you are in so many thoughts and prayers. Remember, God will take care of you and will give you rainbows after the storms. May you always be in harmony with the beauty and wonders of Gods world, and may His peace surround you at this difficult time. I have fought the fine fight, I have run the course to the finish, I have observed the faith.-2Timothy 4:7. As for me, I will lie down that I may sleep; I shall certainly awake, for Jehovah himself keeps supporting me. -Psalms 3:5##imported-begin##Magallon Family##imported-end##
