“ Paul was a friend of my family for 20 years. He was a true friend to all of us. I had my brother on hospice 5 months. I had trouble giving Charlie his shots because he was so skinny. Paul came every day to help me with his shots. He was there thru my brothers death then later with my sister. He was truly loved by my family and every one that knew him. My grandson called him mean Paul, Paul loved it. My condolences to his family who loved him dearly. If anyone can get into heaven it is Paul. We're going to miss you.
