*To Ray's Family,
We are deeply sorry to hear about the death of your Father.
May the love of those around you help you through the days ahead,
and may all the memories of your Father give you strength to face the
pain you all are feeling.
It's the little things, the small, everyday occurrences that you all will
remember, the laughs, the stories, the smiles. And even though it
seems like you can never recover from losing your Father, it is these
very memories that will help push the pain away, and bring back the
smiles.
Always remember, those we love don't go away . They walk beside us
every day, unseen, unheard, but always near, still loved, still missed
and very dear.
May the peace which comes from the memories of loved shared,
comfort you all now and in the days ahead. Our thoughts and prayers
are with you and your family during this difficult time.*

*With Heartfelt Sympathy
