“ *Beckie was one of my best friends, and the first person I met after moving to Newry with my husband Donnie twenty years ago. The last two years were hard on her. Her husband Dana took very good care of her, and we are all glad she is no longer suffering. She was such a a blessing in our lives and will be missed terribly.*

“ I knew Becky back in the early 70s when my dad had, Gentrys drive in Walhalla!

Becky and her parents lived on the Westminster hwy. we would sit in the swing on their front porch and listen to Rod Stewart! I always had a crush on her, but she was such a lady that she wouldn't even let me give her a kiss except on the cheek! what memories I had of her and I will always keep her in my heart. I am so sorry for the passing of a dear friend from long ago. Rest in Gods arms my friend!

“ *Aunt Becki was a beautiful person " inside and out". Last time I seen her, she talked about the Lord and give me Grandpa Addis Bible. A couple of months ago she sent me a card with a precious Magnet she had made for me. Her voice could carry you to Heaven with the joy she had singing. I will miss her compassion and most of all her laughter. Dana praying for you. You were very Special to her.*

“ Aunt Beckie was more like an older cousin to me growing up. She was musically talented and also artistic, and I remember as a kid sneaking in her room and looking at her artwork in awe. She sat with Mama when she was sick and told me how much she enjoyed that time of being with her. I picture them laughing together in heaven with no more pain . . . and much talking of course.
