“*Marlene, I see you walking around Heaven, totally well and enjoying Jesus. You're reunited with your husband, William, your baby, and all your family and friends that have gone on. You have been such a bright light in my life; always listening and encouraging; requesting prayer for needs in your life and in the lives of those you were concerned about. I always felt the presence of Holy Spirit when I was around you. Your closeness to Him was so obvious. You were always beaming sunshine and a positive outlook. I always came away from our conversations with a joy that I had seen you. What a testimony. You lived your life according to God's desire for you; always edifying Him. I am so glad I got to know you, pray with you and work with you. My heart is broken, but I look forward to the day I see you again. I know I will. Morgan and Micah, your Mom loves you so much. You guys are her pride and joy. Her eyes always lit up when she talked about you. She was always saying prayers for you. What a wonderful mother! The memories I have of Marlene will always be pleasant and will be with me forever.*

Micah, I just want to tell you what an angel of a mother you had. She loved you so much. From the time I met her when you were in the 4th grade and or the times that I would see her at Belk, she was always keeping me up on your life and sharing how much she loved her boys. Why she couldn't stay on this earth physically, no one knows, but May her faith be yours as you go through the days ahead. Sara Astin, your 4th grade teacher at OCA
