“ *Sis. Marmelstein was a tremendous influence in my life. She taught me when I was a young boy and I still can feel the spirit of her lessons. I especially remember how she taught us to be reverent and respectful during prayer. She has always had a special place in my heart.##imported-begin##Harold Garner##imported-end##*

“ Your mother's smiling face is something I will always remember when I walked into Sacrement meeting. She never changed. She was always a kind, sweet, caring lady. She made me feel welcome even when it had been months or years since she'd seen me. It's sad to let them go but hold onto your memories and know that one day you will be with her again. I will keep your family in my prayers. Know that we love you and are here for you if you need anything. May God Bless you and your family Always. Love you,
