“ To the Norris family,  
You are in our hearts and prayers. For the past 20 years as we worshiped together your father has become a father to our family. Rev. Norris was always the one we looked to for the truth and the will of God. Just his being there always brought a sense of peace or rejoicing. His quiet presence will be greatly missed as when he was quiet we learned to be still and hear God's small still voice. And when Rev. Norris danced and shouted praises to his savior we learned to be more open in our praise. I'm sure this quiet peaceful man walked through Heaven's gates shouting as Heaven celebrated his arrival. May the wonderful memories he left behind quickly fill the hole you feel in your hearts today.  
Love,
