

## Mr. Richard Alan Hendrickson

April 1, 1953 - May 15, 2016

Richard Alan Hendrickson, 63, husband of Lisa Kramer Hendrickson, passed away on Sunday, May 15, 2016.

A native of California, Mr. Hendrickson was the son of the late Paul Jasper and Ruth Marie Christenson Hendrickson. He worked as a Police Officer for the San Diego Sherriff's Department, and attended Life Point Church.

In addition to his wife, Mr. Hendrickson is survived by his son: Scott Lyman-Hendrickson (Marisa) of Ogden, UT; daughters: Erika Hendrickson (Christopher James) of San Diego, CA, Brooke Hendrickson, and Brianne Hendrickson both of Seneca, SC; brother: Robert Hendrickson of Seneca, SC; sisters: Valora McGinley (Rod) of Seneca, SC and Shirley Griffith (Phil) of Seneca, SC; and one granddaughter: Samantha Nicole Lyman.

Our Richard will always and forever be in our memories and hearts. He was a devoted, loving husband, father, and brother. Richard was an extraordinary man of great character, wisdom, integrity, warmth, honorable work ethic, and unwavering loyalty. His family thought of him as a superhero and teddy bear, provider and protector; built like hulk but handsome and sweet to the core. He would do anything for his loved ones, from bandaging scraped knees to building retaining walls.

Richard served 30 years as a dedicated public service protector. He was committed to justice and serving his community. He was unbelievably gifted and talented in multiple facets including his incredible athleticism, ability to use humor to put a smile on everyone's face. He was artistic, playful and had a fun-loving nature.

Richard had a passion for his family, surfing, history, spending time at the ocean and on the lake, playing sports, and reading. He loved to travel and had a deep appreciation for food. He loved coaching kids, encouraging them, and seeing the light in their eyes as their confidence grew.

Richard had an extremely blessed and happy 61 years of life, though he struggled in his last two years. He was and is very loved by all who knew him. He raised four children who brought him so much joy and pride. They know how fortunate they were to have been raised by such a strong and supportive male role model. We cannot choose our father, but if we could, we would've chosen you, Daddy. We will miss you always, we have cherished our time with you and hold you near to our hearts until we meet again.

The family will receive friends from 6:00-8:00 PM, Friday, May 20, 2016, at Davenport Funeral Home.

“ *I first met Rich when working Lemon Grove. We had a blast every week. Each week we'd hit up the local 'All You Can Eat Chinese' place. I'm sure they cringed when he came in.*

*Great supervisor. Certainly one of the best.*

*Rest in Peace Rich. Many condolences from the Dibb family*

“ *Who did not like Rich's sense of humor? No one I know of. I had a ton of fun hanging out with him while he was between wives and during our sports activities and a certain concert at Humphrey's. (Lisa, you know which one I mean....). When he met Lisa, he became Mr. Homebody and a great husband and dad to his new family. One story I really enjoyed was that he actually was hitting on Lisa's twin sister first, but ultimately met and fell for Lisa. My wife and I really enjoyed visiting Rich and family in Seneca a few years ago. They had made a beautiful home and family together and I could tell he was very happy.*

*R.I.P. Buddy. You are missed!*

“ Richard was my first love .I have many wonderful memories of him. As life goes... we went our separate ways. He found his true love as did I but I am glad we shared each others lives for awhile. I am very happy to know how much he loved and was loved by all of you that were dear to him.. I am truly sorry he left so soon but know that we will all see him again. Your wonderful memories of him will get you all thru this difficult time and remember his pain is gone and he is now with all who left before and our one true God.

“ I worked with Rich on the sheriffs department and played football with him on the Sheriffs Coper Bowl teams. He could always bring a smile to your face and was a man among men. You could not ask for a better person to have your back. I am sorry for the loss of him in this world but I am glad that he is out of pain and in a better place. I couldn't say anything better than he was a great person to work with and to laugh with! I can still see his big smile even after all of these years. R.I.P!! Mike Miller SDSO

“*Richie and I worked in the San Diego County Jail together. It was an old jail, built the way they were meant to be, thick concrete and steel bars- overflowing with crooks. But in spite of all the work supervising a busy operation we had a great time, laughed every day and really made some pretty nasty work into fun. Later we were transferred to opposite ends of the county and never worked together again. Sorry for the suffering you had to endure...RIP RICHIE HENDRICKSON. George and Terry Kneeshaw, ramona, ca*

“*Richard was a cleaning fanatic! I will never forget how he was cleaning up at the baby shower for the girls before we even finished. A house full of women and he's the one cleaning away. Honestly...he had had enough of our "hen party" and was telling us GET OUT...nicely of course! I love you Richard and will miss you my friend. Until we meet again...RIP. :)*

*Sergeant "Hulk Hogan" Hendrickson. You inspired many of us new guys working for you when you first promoted. As the riot broke out, among the chairs flying, deputies swinging, bodies slamming and people yelling, you stood in the middle of it all with your foot on the instigator's neck watching calmly over the mayhem until peace was restored in 2B. I'm glad to hear you found peace in a beautiful place such as South Carolina with a wonderful family who remembers you fondly. Better yet, I'm glad you found ultimate peace with our maker. See you there so you can show me the ropes again.*
