“ My heart breaks for you, Maria, as you begin your journey both as a new widow and a new mother. By chance I noticed your story in the state newspaper. I wouldn't have intruded but for the fact that I also became a widow while I was pregnant with my late husband's and my first child. I wanted you to know that you are not alone. If you ever want to talk, please contact me as I have sent my information to the funeral home. Also, there is a support group of mothers widowed while pregnant on CafeMom, [www.cafemom.com/group/101595](http://www.cafemom.com/group/101595)  
I pray God's blessing and comfort over you. Let Him carry you through this and I promise He won't fail you.##imported-begin##Windy Saunders Clamp##imported-end##
