“ *Dee: Judy and I will always remember Dick's generosity with his time - teaching the fishing class to newcomers, serving on the KKPOA Board, and even coming to our home after the July 2001 storm to inspect damage to see if there was anything he could do. A true neighbor.*

“ Dee, Jill and family - we were saddened to hear of your loss, especially at this time of the year. Your husband (and father, grandfather, etc.) was a very special man and I know you will hold your memories of him close to your hearts and those memories will get you through the rough bumps ahead. We feel so blessed to have spent a little time with him at Megan's wedding. I know that was a special time for all your family. You will be in our prayers as you adjust to this new chapter in your lives. We pray you will feel the Lord's strong, loving arms wrapped tightly around you and that you will know that you are loved.  
Lifting you up,

“ Dee, Jill & Errol, Megan, Caitlin, and ALL of Dicks Family,

*Since hearing the news of Dick's death, I have constantly had all of you on my mind and heart. It is so hard not to be there and express my sympathy in person. I, too, lost my father at Christmas time (Dec 27th) so I know the extra headache that this time of the year can bring. All I can say is that it really helps to rally together as a family as I am sure that is what all of you are doing.*

*It was great spending time with all of you at Megan's and Caleb's wedding and we will cherish the memories of all of you. I know both of my girls loved coming to SC with Megan and Caitlin from time to time skiing or tubing with Dick on one of his boat trips. I know I did on my trip. You all are such a wonderful example of what a true loving family should be and I feel blessed to have been a part of your lives in some way. Please, know how much we are all thinking and praying for you during this most difficult time as well as the days that lie ahead. Dee, you and Dick are the most loving parents that I have ever known and I am sure that God is pleased with how you have loved your family as an example of how He loves us.*

*Love, Barb, Steve, Nicole, Rachel and Matt##imported-begin##Barb Fleissner##imported-end##*
