“ BOB, "save your confederate money for THE SOUTH SHALL RISE AGAIN", ALEXANDER was the only lawyer I ever loved !! My best friend in high school (Devils Lake Class of '65), he was a devoted family man, an American patriot and military man during the Vietnam era (when it was not popular)and, always, a professional. Bob, was a "man's man". At 14 we learned to ride motorcycles together.
I will miss him. Dr. Richard Johnson,MD.

“ I have known BOB for many years. I served with him on the board of directors at Lake Cherokee for many years and found him to be committed to what was best for our lake community. My first interaction with him was when I was president in the late 70s or early 80s. I would get this check for annual dues from some lawyer in the Dakotas. It wasn't until sometime later that I learned of Bobs connection to the lake and surrounding area. I've enjoyed many discussions with Bob concerning lake issues as well as the history of the lake and surrounding area and especially politics which Bob was very involved and fond of. He was a great guy, friend and I'm sure will be missed by many. God bless!

I met Bob several years ago through friends who knew him at Lake Cherokee. We discovered our connection with the Sharp Reunion and Bethel Church in Walhalla. Cousin Bob, I wish we had gotten to know each other better, but I'm so glad for the opportunity we had to meet at a reunion! I send warm thoughts to his family.
